

FWCC Spare Information & Policies

Please keep in mind these policies are meant for FWCC house leagues (e.g. Open & Mixed).

To be eligible to play as a spare for a team you must meet one of the following:

- You have paid a single game, \$10 (includes tax) spare rate, prior to the game you are sparing in. Payment can be made at the bar.
- You are a Fifth Man member of the club in good standing.
- You are a Full Time Open (**2 nights a week**) member of the club in good standing.

If you are a **Full Time Open (1 night a week), Mixed or Stick** member of the club in good standing, you are allowed to periodically spare for teams at no cost with limitations. Spares are meant to be occasional replacements when a member of a team is not able to play. Continually sparing for teams on regularly basis will require you to pay \$10 per game to spare, or require an upgrade to your membership.

OPEN LEAGUE SPARE USAGE

A paid fifth man membership spare can play in any position when sparing. However, any other spares must play in either the lead or second position unless otherwise agreed by both teams.
